

**State Citizenship Questionnaire**  
**NORTH-CAROLINA AMERICAN REPUBLIC**

Dear Applicant,

Please answer all of the following questions to the best of your ability. Please record your answers on a separate sheet next to the corresponding number of each question.

You may consult any historical, legal or other sources, as well as any NCAR educational material at your disposal (i.e. treat it as an ‘open book test’). Owing to that fact, and in furtherance of the ultimate goal of this endeavor – your expanding education and maturing of worldview – we provide that many (though likely not all) of the answers can be found in a thorough search of our State’s website, <http://www.ncrepublic.org>, and the Facebook page and website of the NC Republic’s independent educational outreach sister-venture, America’s Remedy, at [Facebook.com/americasremedy](https://www.facebook.com/americasremedy) and [www.americasremedy.com](http://www.americasremedy.com), respectively. In any case, we request that your answers be honest and complete, and genuinely reflect your current level of knowledge and understanding of the topics covered.

This questionnaire is for informational purposes. Your responses to the questions in this questionnaire will not disqualify you from eligibility for state Citizenship. State Citizenship, however, is not something to be undertaken lightly, since it inherently entails legal and judicial conflict with the de facto government of the ‘Reconstructed’ State. Furthermore, the personal character and integrity of state Citizens reflect directly on our State and affect our success in advancing our educational mission, growing our body politic, and increasing popular recognition of our State. With this questionnaire we strive, therefore, to ensure that applicants fully comprehend the gravity of their decision and recognize the consequences of it before taking an Oath of Allegiance to this State, and once you have formally claimed state Citizenship status, we ask that you conduct yourself at all times in the most respectable and honorable manner, for you are always in the public eye.

Cordially & Sincerely,  
Citizens & Officers of the Great State of North-Carolina

\* Note that some questions refer to either the *de jure* or *de facto* government or state. These are common Latin legal terms for which complete definitions may be found in either Black’s or Bouvier’s Law Dictionary; however, for the purposes of this Questionnaire, it is sufficient to regard *de jure* as meaning “of the law” (i.e. that which is lawful), and *de facto* as meaning “of fact” (i.e. that which exercises power or enjoys popular recognition as a matter of practical fact).

12. How do you understand the following statement: "We live today under the occupation of a governing power foreign to the original intent of the framers of the Constitution." Please explain your answer.
13. Do you have any outstanding/pending criminal charges or civil litigation within the courts, or any past convictions on your record, with any state or with the United States government? Please list all and explain.  
(NOTE: Answering "Yes" to this question will not necessarily disqualify you for state Citizenship, but *full disclosure is required* and subsequent discovery of undisclosed matters may constitute grounds for punitive action on the part of the State of North-Carolina, at the discretion of its Legislature, up to and including revocation of your state Citizenship status).

As briefly as possible, please provide a summary of the substance of our jurisdictional challenge (i.e. on what legal basis do we challenge the jurisdiction of the *de facto* State and its courts?).
17. At what point in the judicial process may an Accused raise a challenge to the presumed jurisdiction of the Court – before arraignment, during arraignment, during trial, or post-trial? Please cite your source for the answer (Hint: It's in the *de facto* NC General Statutes).
18. Once such a challenge has been raised by an Accused, what legal requirement(s) become(s) binding upon the Court and/or the State, which either or both must satisfy before the Accused may be arraigned or tried? Can you cite at least one NC Supreme Court case that sets forth this stipulation as binding legal precedent?
19. What are your expectations in the event that you bring our legal argument into a *de facto* court? What outcome would you consider to constitute a "victory?"
