MOTION TO STRIKE AND DISMISS

\*\*\*\*\*

**TO: THE HONORABLE CHIEF JUDGE AND ASSOCIATE JUDGES OF THE NORTH CAROLINA COURT OF APPEALS**

The State of North Carolina, by and through Roy Cooper, Attorney General, and Jess D. Mekeel, Assistant Attorney General, respectfully requests that this Court enter an order striking defendant's brief and dismissing defendant's appeal. In support of this motion, the undersigned shows as follows:

PROCEDURAL HISTORY AND REASONS TO ALLOW MOTION

1. At approximately 2:30 a.m. on 26 March 2010, Isaac Hutchison Birch ("defendant") was arrested and charged with driving while impaired ("DWI").

2. Defendant's case was heard at the 30 September 2010 Criminal Session of Macon County Superior Court, the Honorable Mark E. Powell, Judge presiding. (T. vol. V).

3. At the conclusion of the trial, a jury found defendant guilty of DWI (R. p. 121; T. p. 72), and the trial court imposed a Level Five punishment consisting of sixty (60) days imprisonment, suspended upon, *inter alia*, completion of twelve (12) months unsupervised probation. (R. pp. 124-25).

4. Defendant gave notice of appeal in open court. (T. p. 75).<sup>1</sup>

5. Both at trial and now on appeal, defendant has proceeded *pro se*.

6. On 6 December 2010, the transcripts were delivered, and on 28 January 2011, defendant served on the State the proposed record on appeal. (R. p. 137).

7. The Record on Appeal was settled by operation of law, filed on 8 March 2011, docketed on 14 March 2011, and mailed to the parties on 15 March 2011. (R. p. 1).

8. On 14 April 2011 - the date defendant's brief was due - defendant filed a motion for an extension of time, seeking an additional sixty (60) days. The State did not object to the motion, and that same day, the Court allowed in part defendant's motion, granting an extension of thirty (30) days and providing that defendant shall file his brief on or before 16 May 2011. A copy of the Court's Order is attached hereto as Exhibit A.

9. As shown by the documents attached hereto as Exhibit B, defendant electronically filed his brief on 17 May 2011.

10. Although only one day late, defendant nevertheless failed to timely file his appellate brief *as ordered by this Court*, notwithstanding the fact that (a) defendant was granted an additional thirty (30) days to file his brief, and (b) defendant's 237-page historical and ontological argument against the State of North Carolina's legitimacy and very existence substantially echoes

---

<sup>1</sup>It appears a written notice of appeal also was filed. (R. p. 126). However, like much of the Record on Appeal, the Notice of Appeal is virtually illegible.

- and at times copies verbatim - his memorandum of law submitted to the trial court nearly a year ago on 21 May 2010. (*Compare* Def br., with R. pp. 22-105).

11. The Rules of Appellate Procedure "apply to everyone - whether acting *pro se* or being represented by all of the five largest law firms in the state." *Bledsoe v. County of Wilkes*, 135 N.C. App. 124, 125, 519 S.E.2d 316, 317 (1999).

12. Pursuant to Rule 13(c) of the Rules of Appellate Procedure, "[i]f an appellant fails to file and serve a brief within the time allowed, the appeal may be dismissed on motion of an appellee or on the court's own initiative." N.C. R. App. P. 13(c); see also N.C. R. App. P. 25(a).

**WHEREFORE**, the State respectfully requests that defendant's untimely brief be stricken and the appeal dismissed.

Electronically submitted, this the 17th day of May, 2011.

Roy Cooper
